Microwave steam sterilizer bags

Sterilize on the go Kills 99.9% of harmful germs, Easy to use, 5 bags for 100 cycles

Highlights

Sterilizes in just 90 seconds

Each reusable microwave steam sterilizing bag can be used to sterilize bottles, breast pumps and other baby products in just 90 seconds*

Kills 99.9% of germs

Each microwave steam sterilizer bag is proven to kill 99.9% of germs and bacteria.

Check box

Each bag includes a check box. By ticking the check box you can quickly and easily keep track of the number of times each bag has been used.

Safe handling zone

Each bag has a Safe handling zone. This is a marked area on the bag where it can be picked up safely straight from the microwave.

Up to 100 uses per pack

Each pack of microwave steam sterilizing bags includes five individual bags, and each bag can be used up to 20 times. This means that you will be able to sterilize baby bottles, breast pumps and other accessories up to 100 times in just one retail pack.
